Compact & easy to transport

Fast, capable and strong. Perfect weekend small fishing boat, a small row boat or motor fitted boat like never before. This foldable boat is easy to get out and have fun in. Storage, no problem - just hang it on a garage wall and there's no need for a boat trailer with licence and other maintenance costs. Just strap the boat to your roof rack and you're away!

PORTABLE boat DURABLE boat STABLE boat

On the water, the boat performs better than most rigid hull boats its size due to its light-weight and superior design. The wide beam gives the watercraft much more surface area to float on and provides the stability, welcomed especially when standing up and tossing lures.
